

STOP WASTING TIME LABELING BY HAND

GO fast, easy, and accurate with the
NEW! Flat-Matic!

Made in USA, 3 year warranty, 21 day trial!

Flat-Matic (Optical Sensing) Our latest addition to the Dispensa-Matic lineup! If you want the ultimate in Desktop Semi-Automatic for labeling Flat/Square containers, this is it! Label containers from 1/4" to 6" tall with ease using thin labels.

- Dispensa-Matic's own NO-ADJUST optical sensors (no sensor adjustment or cleaning)
- Capable of dispensing labels down to 1 mil thickness
- Label can be from 1"-8" on our 6" Flat Matic and 1.5"-14" wide on the 12" Flat-Matic
- Product can be from 1 5/8" to 6" Wide on the 6" Flat Matic or 1 5/8 to 12" wide on the 12" Flat-Matic
- Product can be 1/4" to 4.5" in height if pressure arm is used! If no pressure arm is used unlimited height.
